Description

This Quintrex Freedom Sport 500 is in great condition and could pass as a much newer model.

With the front bowrider upholstery and rear seat upholstery having just been redone along with some other additions makes this Freedom Sport standout against similar models.

Probably the nicest addition to the boat is the Latest Model Mercury 90hp EFI 4 stroke with only 27hrs use, that's coupled up with the nice fresh Mercury hand control plus both Speedometer and Tacho from Mercury's Smart craft range helping to freshen up the look of the dash.

Also mounted on the dash is the Lowrance lv250 vhf radio with hand piece and speaker mounted either side.

Moving to the top of the dash you will see the Boat has been equipped with a brand-new Garmin Striker 7sv Sounder coupled up with a new transducer on the back. This will be a definite plus when you're on the hunt for a nice catch.

On the passenger side console, you have a Pioneer head unit that will send all your favorite tunes blasting out the clear and bassy Kenwood speakers located below the front console section.

Here are a few other features

- Bimini with rocket launchers
- 4 new rod holders at rear and side
- Anchor well with anchor
- Transom Ladder for ease of access
- Glove box compartment
- Spare wheel on trailer
- Side pocket storage
