Description

WITH INCREASED DEMAND, DELIVERY IS APPROX 12 MONTHS OUT

The most glorious aspect of the boating lifestyle is its sheer diversity. You can catch your own fresh meal, teach your children to cast a line or jump a wake, doze underneath the Bimini top and listen to laughter off the swim deck, and find just the right cove for a picnic. The compactly-designed Cruiser 200 will deliver all this, with beautiful floor plans designed to meet every need. The CS floor plan features a walk-through bow gate, stern swim-deck access to starboard, two bow lounges and a classic L-shaped aft lounge with sun pad. The SL floor plan incorporates a luxurious rear-facing lounge rather than the L-shaped aft lounge. The FS floor plan offers two fish seats instead of bow lounges, replacing the aft lounge with two additional fish seats and provides a well-appointed rear workstation, aerated livewell and rod holders. Then there are the power options up to 175 hp and amenities such as a hydraulic steering, performance package, ski tow bar and more. As it turns out, spending time on this luxury pontoon is not just about what you need — it's about what you dream is possible.
